203.99€

The Elgato Facecam by CORSAIR redefines the standards of webcams for professionals and enthusiasts. This high-performance webcam, designed with a focus on quality and ease of use, features a fixed focal lens and a wide 82-degree field of view, ensuring that every frame is captured with exceptional clarity and detail. The inclusion of a STARVIS sensor allows for outstanding performance in any lighting condition, making it an ideal choice for streamers, content creators, and business professionals who demand high quality. With support for 1080p recording at 60 frames per second, the Facecam delivers smooth, lifelike video that can elevate any broadcast or meeting. Its USB 3.0 connectivity offers a quick and easy setup, ensuring you're ready to go live in moments. Whether you're streaming to an audience or connecting with colleagues, the Elgato Facecam ensures you look your best in every frame.
