immersive gameplay and seamless multitasking. Powered by the efficient 13th Generation Intel Core i5-13450HX processor and featuring dedicated NVIDIA graphics, the LOQ 15IRX10 ensures you stay competitive in every title.

Key Gaming Features:

- **Extreme Graphics Power:** Equipped with the powerful NVIDIA GeForce RTX 5060 GDDR7 8 GB dedicated graphics card, ensuring stunning visuals and high frame rates for demanding games.
- **High-Speed Processor:** Intel Core i5-13450HX processor delivers exceptional performance for gaming and content creation tasks.
- **Fast Memory and Storage:** 16 GB of lightning-fast DDR5 SO-DIMM memory coupled with a spacious 1000 GB Solid State Drive (SSD) for rapid boot times and quick game loading.
- **Optimized Display:** 15.6-inch Full HD (1920 x 1080) IPS panel with an anti-glare coating provides sharp images and excellent viewing angles without distracting reflections.
- **Ready Out of the Box:** Pre-installed with Windows 11 Home, offering the latest features and security updates.
- **Enhanced Connectivity:** Features Wi-Fi 6 (802.11ax) and Bluetooth 5.2 for stable, high-speed networking and peripheral connection.

Designed for Durability and Comfort

The 15.6-inch IPS display ensures that every explosion and detail is rendered clearly, while the anti-glare finish allows you to game comfortably even in brightly lit environments. The full-sized keyboard features backlighting, enabling precise input during late-night gaming sessions. With 16 GB of high-bandwidth DDR5 RAM, the LOQ handles demanding applications effortlessly, making it a perfect hybrid device for both entertainment and productivity.

Lenovo is a global technology leader known for manufacturing robust and innovative computing solutions, ranging from professional workstations to high-performance gaming devices. Their LOQ series is specifically designed to provide essential gaming power accessible to a wider audience.

Order today from ++SHOP++ as we offer the best combination of pricing, reliable service, and fast delivery for all your technology needs.
