AOC CU34E4CV 34" Ultrawide UWQHD Monitor – Productivity and Performance Combined

The AOC CU34E4CV is designed for professionals and demanding users seeking maximum screen real estate and seamless connectivity. This expansive 34-inch Ultrawide Quad HD (UWQHD) monitor

delivers stunning visuals at a resolution of 3440 x 1440, ensuring every detail is sharp and immersive. With a rapid 120Hz refresh rate and Adaptive Sync technology, it handles motion smoothly, making it excellent for multitasking and casual gaming alike.

Superior Connectivity and Workstation Control

Enhance your efficiency with integrated professional features. The built-in USB-C docking station provides 90W Power Delivery (PD), allowing you to charge your connected laptop while simultaneously transferring data and video signals over a single cable. Furthermore, the Smart KVM (Keyboard, Video, Mouse) functionality enables you to control multiple connected computers using a single set of peripherals, drastically simplifying desk setup management.

Visual Comfort and Immersive Display

- Screen size: 34 inches (86.4 cm) with 21:9 native aspect ratio, ideal for viewing large spreadsheets or multiple windows side-by-side.
- Resolution: Ultrawide Quad HD (3440 x 1440 pixels) on a high-quality VA panel, offering vibrant colors, wide viewing angles (178°/178°), and deep blacks.
- Smooth Motion: 120 Hz maximum refresh rate combined with Adaptive Sync ensures smooth, tear-free visuals and a 4 ms response time.
- Eye Care: Features Hardware Anti-Blue Light technology and HDR10 support for comfortable viewing during long working hours while maintaining high image quality.
- Ergonomics: Includes VESA mounting compatibility and height adjustment for finding the perfect viewing position.
- I/O: Equipped with 2 x HDMI 2.0, 1 x DisplayPort 1.4, and an integrated USB hub (2.0 / 3.2 Gen 1).

AOC is a globally recognized manufacturer specializing in display technology, known for producing high-quality monitors across professional, gaming, and consumer segments.
