The Gembird Fornax 4300 is for gamers and PC enthusiasts seeking a robust and stylish tower chassis. With a sleek design that includes a tempered-glass windowed side panel, it showcases the interior components and customizable ARGB fans. The chassis features a magnetic closure and a hinged side panel for easy access, making maintenance and upgrades simple. This tower accommodates up to five internal bays, providing ample space for drives and ensuring efficient airflow with multiple fan mounts. The front panel includes USB and audio connectors for easy accessibility.
