Equipped with premium IPS technology, the ProLite XUB2797UHSNP-B1 ensures accurate color reproduction and exceptionally wide viewing angles (178°/178°), making it perfect for graphic design, photography, and detailed data analysis. Supporting 1.07 billion colors and 99% sRGB color gamut, the image quality is vibrant and true-to-life. Furthermore, visual comfort is prioritized through Flicker-Free technology and the Blue Light Reducer Function, minimizing eye strain during long work sessions.

Ultimate Connectivity Hub: USB-C, KVM, and LAN

This monitor transforms your desktop into a unified workspace through its powerful integrated docking capabilities. The USB-C dock provides a single-cable solution, handling video, audio, and data transfer while simultaneously offering up to 96W of USB Power Delivery (PD) to charge your connected laptop. The integrated KVM switch allows users to control multiple computers (such as a desktop PC and a docked laptop) using a single keyboard and mouse setup, while the RJ45 (LAN) connection ensures stable, wired network access directly through the monitor.

Key Professional Features:

- **4K Ultra HD Resolution:** Experience incredible detail with 3840 x 2160 pixels on a 27-inch screen.
- **IPS Panel Technology:** Provides superior color accuracy and broad 178° viewing angles.
- **USB-C Docking (96W PD):** Simplifies setup by charging laptops and transferring all data simultaneously.
- **Integrated KVM Switch:** Control multiple source devices effortlessly using one set of peripherals.
- **RJ45 LAN Connectivity:** Secure and stable internet access via the monitor's built-in Ethernet port.
- **Ergonomic Stand:** Features 150mm height adjustment, pivot (for portrait mode), tilt, and swivel for optimal viewing comfort.
- **DisplayPort Output:** Easily extend your desktop by daisy-chaining a second monitor.

IYAMA is a globally recognized manufacturer known for producing high-quality, reliable, and technologically advanced display solutions for professional and consumer markets. Their ProLite series emphasizes ergonomic design and high performance.

Order today from ++SHOP++ as we offer the best deals and fast delivery on professional IIYAMA monitors.

Discover the XUB2797UHSNP, a 27" 4K IPS panel equipped with USB-C dock (96W PD), KVM switch, and RJ45 for LAN connectivity. The KVM switch allows to connect multiple computers through a single console. Get rid of cable clutter with the USB-C dock that carries all data (audio and video) whilst powering your notebook. Easily extend your desktop by creating a dual-monitor set-up with the DisplayPort output. Enjoy accurate colours and wide viewing angles thanks to the IPS panel. Benefit from exceptional performance for tasks like photography and web design, thanks to the 4K resolution and high contrast. The ergonomic stand offers a height adjustment of 150mm and tilt/swivel mechanisms for portrait mode, optimizing comfort while working with extensive data sheets

The iiyama ProLite XUB2797UHSNP-B1 is a 27-inch desktop monitor designed to enhance productivity with stunning visuals and advanced features. Featuring a native resolution of 3840 x 2160, this monitor delivers sharp images and vibrant colors, supporting a color gamut of 99% sRGB and 1.07 billion colors. Equipped with Flicker-Free technology and a Blue Light Reducer Function, it ensures a comfortable viewing experience, even during extended use. The monitor's IPS technology provides wide viewing angles of up to 89 degrees horizontally and vertically, allowing users to share their screen easily without compromising on image quality. This monitor incorporates a built-in KVM switch and USB hub, making it convenient for users to switch between different devices and manage their peripherals efficiently. With a USB Power Delivery capability of 96 watts, it is capable of charging laptops and devices seamlessly. The ergonomic design features height, pivot, swivel, and tilt adjustments for optimal viewing comfort. The iiyama ProLite XUB2797UHSNP-B1 is suitable for professionals seeking an efficient and visually appealing display solution for their workspace.
