Aprašymas

BOBOVR E3 PRO Battery Relief Strap for Meta Quest 3/3s

BOBOVR E3 Pro is an advanced weight relief strap designed specifically for Meta Quest 3 and 3S users. Its design was created to distribute weight evenly, significantly reducing pressure on the face and head. A wide, soft cushion in the back and an adjustable adjustment mechanism make the strap fit perfectly on the head, guaranteeing comfort even during long sessions in virtual reality.

Powerful battery for uninterrupted gameplay

Equipped with a replaceable 10,000 mAh B100 battery, the BOBOVR E3 Pro provides an additional 3-4 hours of use for the Meta Quest 3 or 3S goggles. This means you can enjoy gameplay, training or VR work without worrying about the device suddenly draining.

Fast charging and battery replacement

Thanks to its 22.5W fast-charging technology, the B100's battery charges in a short period of time, minimizing interruptions in goggle use. The magnetic hot-swap system allows you to instantly swap a discharged battery for a charged one without interrupting the device's operation.

Smart power management

The display on the BOBOVR E3 Pro's strap shows the battery level in real time, with which you can keep track of the available operating time. The advanced power management system optimizes battery consumption, which extends battery life and ensures stable goggle operation.

Integrated 3.5mm audio connector

The strap is equipped with a 3.5mm headphone jack, allowing you to connect wired headphones. This allows you to enjoy high-quality audio without delay, making every VR session even more immersive.

Lightweight yet durable design

Despite its advanced features and capacious battery, the BOBOVR E3 Pro weighs only 445 grams, making it lightweight and comfortable for daily use. High-quality materials guarantee durability while ensuring comfort during intense VR sessions.

Seamless compatibility and easy installation

The BOBOVR E3 Pro strap is designed to fit perfectly with the Meta Quest 3 and 3S. Installation is quick and intuitive, and the adjustable straps allow you to precisely adjust the size to the shape of your head, ensuring stability even during dynamic movements.

Longer gameplay without interruption

With a smaller battery, fast charging and comfortable design, the BOBOVR E3 Pro allows for longer VR sessions without having to recharge the goggles frequently. This is ideal for gamers, VR enthusiasts, as well as people who use the goggles for work or training.

Safety and optimization of power consumption

An advanced power management system protects the battery from overheating, over-discharge and overload. Optimization of power consumption makes the battery last longer and maximizes its life.

Included

- Head strap
- Charging cable
- Manual
- B100 battery pack
- Honeycomb pad

Manufacturer	BOBOVR
Model	E3 PRO STRAP
Compatibility	Meta Quest 3 and 3S
