you're watching videos, browsing photos, or playing games.

Power and Speed for Everyday Use

The HOTWAV Note 13 Max is equipped with a processor capable of handling the latest apps and games with ease. Boasting 6 GB of RAM and 256 GB of internal memory, this smartphone offers spaciousness, speed, and reliability. Store large amounts of data, photos, videos, and applications, making this device ideal for those who value convenience and dependability in their daily use.

RAM Expandable Up to 16 GB

The innovative memory management system in the HOTWAV Note 13 Max allows you to expand the RAM by an additional 10 GB of virtual memory, significantly improving the device's performance and smoothness. This enhancement allows the smartphone to handle multiple applications simultaneously without any performance degradation, ensuring a seamless and comfortable user experience even with intensive phone use.

Reliable Power All Day Long

The HOTWAV Note 13 Max features a 5160 mAh battery, providing long-lasting operating time on a single charge, so you can enjoy complete freedom without the constant need for recharging.

Stylish Design and Durable Casing

The HOTWAV Note 13 Max combines modern design with solid craftsmanship. Its slim yet durable casing is both aesthetically pleasing and functional, protecting the phone from potential damage. The ergonomic design ensures the device fits comfortably in your hand, making operation both comfortable and intuitive.

Perfection in Every Frame

Capture all of life's important moments in high quality with the HOTWAV Note 13 Max's cameras: a 48MP rear camera and a 16MP front camera. Advanced technology and precise optics ensure that your photos and videos are full of detail, with natural colors and high sharpness, making it the perfect smartphone for photography enthusiasts who want to capture beautiful moments in all conditions.
