HOTWAV TAB R9 Plus Tablet (Red)

The HOTWAV TAB R9 Plus is designed for users seeking a versatile device that excels in multitasking, durability, and performance. With its rugged construction, this tablet is resistant to water, dust, and the demands of outdoor use. An advanced processor and generous memory capacity ensure smooth operation for all your daily tasks. The long-lasting battery keeps you powered throughout the day, while the integrated LED lamp enhances its outdoor practicality. Featuring a large 2K screen with Full HD support, high-quality cameras, and fast mobile connectivity, it's perfect for work, entertainment, and staying connected. Smart features, convenient extras, and ergonomic design make the R9 Plus a reliable companion for any situation.

Power That Keeps Up With You

The tablet is powered by an energy-efficient, octa-core Unisoc T7280 processor clocked at up to 2.2 GHz, running on Android 14. This configuration provides smooth application performance, stable multitasking, and quick interface responses. Benefit from up to 24 GB of RAM (8 GB physical + 16 GB virtual expansion) for seamless handling of even the most demanding tasks. The substantial 512 GB internal memory offers ample space for your photos, videos, and apps, with the option to expand up to 1 TB via microSD card.

Power for Long Days in the Field

The HOTWAV TAB R9 Plus features a massive 20080 mAh battery, designed for extended operation without needing to recharge. Boasting an impressive standby time of over 120 days, it's perfect for expeditions, fieldwork, or long journeys. The rear cover includes an LED camping lamp with a brightness of up to 350 lumens, offering continuous lighting or an SOS signal for enhanced safety and utility in outdoor environments.

Unlimited Images, Multimedia, and Entertainment

The large 11-inch 2K display delivers high detail and comfortable viewing for both work and entertainment. With Widevine L1 technology support, you can stream Full HD content on popular platforms like Netflix and Amazon Prime. The tablet is equipped with a 64 MP rear camera featuring the PureCel® Plus sensor for capturing detailed photos, and a 16 MP front camera ideal for video calls and remote work. The ability to record video in 1080P resolution makes it a versatile tool for documenting events on the go.

Connectivity, Intelligence, and Ease of Use

The HOTWAV TAB R9 Plus supports 4G and Dual SIM, ensuring you stay connected wherever you are. It also features Wi-Fi 5 operating in the 2.4 and 5 GHz bands, and Bluetooth 5.0 for stable and fast connections to accessories and networks. Features like Face ID unlocking and Glove Mode enhance everyday use, with the latter increasing screen sensitivity for operation while wearing gloves. A flexible aluminum stand and leather wrist strap improve ergonomics, allowing comfortable holding and positioning of the device in any situation.

Durability You Can Rely On

This tablet meets rigorous IP68, IP69K, and MIL-STD-810H military standards, ensuring complete resistance to dust, water, and heavy use in challenging conditions. It can withstand immersion in water up to 2 meters for 30 minutes, as well as drops from up to 1.2 meters. Its robust design is reinforced by advanced assembly techniques supported by AI algorithms, and numerous endurance tests, including drop, tumble, screen touch, and USB port tests. Corning® Gorilla® Glass 3 provides effective protection for the display against scratches and daily wear and tear.

Included in the box

- Tablet
- 3A data cable
- OTG cable
- Charger
- Colored protective film

a reliable companion in any situation.

Power that keeps up with you

At the heart of the tablet is an energy-efficient, octa-core Unisoc T7280 processor clocked at up to 2.2 GHz, running on Android 14. This configuration ensures smooth application performance, stable multitasking, and fast interface responses. You have up to 24 GB of RAM at your disposal, including 8 GB of physical RAM and an additional 16 GB of expansion, which translates into freedom of work even with the most demanding tasks. The huge 512 GB internal memory can easily store photos, videos, and applications, and thanks to microSD card support, it can be expanded up to 1 TB.

Power for long days in the field

The HOTWAV TAB R9 Plus stands out with its 20080 mAh battery, which is designed for long-term operation without the need for recharging. The tablet offers an impressive standby time of over 120 days, making it ideal for expeditions, field work, or long journeys. The rear cover features an LED camping lamp with a brightness of up to 350 lumens, which can operate in continuous lighting mode or as an SOS signal, increasing the safety and functionality of the device in outdoor conditions.

Unlimited images, multimedia, and entertainment

The large 11-inch 2K display provides a high level of detail and viewing comfort for both work and entertainment. Support for Widevine L1 technology enables Full HD content streaming on popular platforms such as Netflix and Amazon Prime. The tablet is equipped with a 64 MP rear camera based on the PureCel® Plus sensor, which allows you to capture detailed photos, as well as a 16 MP front camera ideal for video calls and remote work. The ability to record video in 1080P resolution makes the device also suitable as a mobile tool for documenting events.

Connectivity, intelligence, and ease of use

The HOTWAV TAB R9 Plus supports 4G and Dual SIM, allowing you to stay online wherever you are. It also features Wi-Fi 5 operating in the 2.4 and 5 GHz bands and Bluetooth 5.0, ensuring stable and fast connections to accessories and the network. Everyday use is made easier with features such as Face ID unlocking and Glove Mode, which increases screen sensitivity and allows you to operate the
