Mark Adler Leader 7.3 Black Electric Desk

The Mark Adler Leader 7.3 Black Electric Desk is a versatile and ergonomic workstation designed for gaming, home office, and office use. Featuring an electric engine for adjustable height, this desk allows you to switch between sitting and standing positions, promoting better posture and reducing strain. The rectangular black tabletop, with a thickness of 1.5 cm, provides a sleek and modern look, while the black metal frame ensures stability and durability.

Features:

- Adjustable height with an electric engine for customized comfort.
- LED control panel with memory function to save up to 3 height preferences.
- Built-in headphone hook for convenient storage.
- Cable grommets to keep your workspace organized.
