LG 65UL3Q-E 65" Digital Signage Flat Panel Display

Experience superior picture quality with the LG 65UL3Q-E signage display. Featuring Ultra HD resolution, this 65-inch LED flat panel delivers vivid and realistic colors and details, ensuring clear content from a wide viewing angle. Powered by LG webOS 6.1, it offers high performance and smooth multitasking with an intuitive user interface.

Features:

- **Ultra HD Resolution:** Provides vivid and realistic colors and details.

- **LG webOS 6.1:** Ensures smooth multitasking and an intuitive user interface.
- **Uniform Bezel Design:** Simplifies installation and offers an immersive viewing experience.
- **Adaptive Viewing Experience:** Supports Face Up/Down tilt for optimal viewing angles.
- **Remote Monitoring and Control:** Web-based solution for easy monitoring and adjustments via mobile phone or PC.
- **Built-In Brightness Sensor:** Automatically adjusts brightness for optimal viewing and energy efficiency.
- **Advanced Security Architecture:** Enhanced Kernel Protection (EKP) with ISO/IEC 15408 EAL2 certification.
- **Sustainability:** Award-winning ESG commitment with EcoVadis Platinum medal.
- **LG ConnectedCare (Optional):** Cloud service for remote fault diagnosis and control.

The LG 65UL3Q-E offers a sophisticated and symmetrical bezel design, enhancing the aesthetic appeal of any space. Its adaptive features and robust security make it an ideal choice for businesses seeking a reliable and visually stunning display solution.

LG is a global leader in developing innovative display technologies, committed to providing high-quality products with a focus on sustainability and advanced features.

Order today from ++SHOP++ as we offer the best...

Superb Picture Quality with Ultra HD Resolution
With the resolution of UHD, it makes the color and details of the contents vivid and realistic. In addition, the wide viewing angle provides clear contents.

High-Performance with LG webOS 6.1

LG webOS 6.1 is available on the UL3Q series for smooth execution of multiple tasks. The LG webOS smart signage platform enhances user convenience with an intuitive GUI*.

Easy Installation with Uniform Bezel Design

The UL3Q series features perfectly balanced horizontal and vertical bezels, creating a visually harmonious display solution. Its specialized design simplifies installation in retail environments while delivering a truly immersive viewing experience. The sophisticated, symmetrical bezels enhance the aesthetic appeal of any space, transforming ordinary displays into elegant focal points.

Adaptive Viewing Experience

Experience enhanced flexibility with the UL3Q's innovative Face Up/Down tilt support. Whether mounted high or low, each display can adjusted to better meet viewers at eye level, promoting maximum engagement regardless of installation height. This versatility optimizes both spatial efficiency and visual comfort, delivering clear information from various viewing angles.

Remote Monitoring and Control

This web-based monitoring solution is user-friendly and allows the user to be at ease. It enables the user to have full access anywhere at anytime from their mobile phone & PC under network-accessible environment while having access to both current and past data. It allows the user to monitor the unit, make adjustments and control the unit remotely in real time.

Built-In Brightness Sensor

The UL3Q's front-mounted sensor automatically adjusts brightness to match various lighting conditions, helping to optimize viewing quality and energy efficiency without manual intervention. This adaptive feature helps maintain consistent display performance while supporting power savings, delivering improved visual experience that responds to environmental changes.

Advanced Security Architecture

The UL3Q incorporates LG's Enhanced Kernel Protection (EKP) technology, safeguarding critical data from unauthorized access and potential security threats. This commitment to information security is validated by the ISO/IEC 15408 Common Criteria EAL2 certification, providing businesses with the confidence that their sensitive content and operations remain protected in today's challenging security landscape.

Award-Winning Sustainability

The UL3Q series embodies LG Display's ESG commitment: "Better Life for All." This company-wide dedication to environmental responsibility has earned the prestigious 2025 EcoVadis Platinum medal, placing us among the top 1% of global companies for sustainability excellence.

LG ConnectedCare

Maintenance is easy and fast with the optional LG ConnectedCare* service, a cloud service solution provided by LG. It remotely manages the status of displays in client workplaces for fault diagnosis and remote-control services, supporting the stable operation of clients' businesses.
