and a dramatic 1000R curvature, this monitor wraps the viewing field around you, mirroring the human eye for maximum focus and visual comfort. The high-performance VA panel ensures brilliant colors and wide 178-degree viewing angles.

Ultimate Gaming Performance

Designed for competitive gameplay, the G55C delivers speed and fluidity critical for victory. The combination of a high refresh rate and rapid response time eliminates motion blur and input lag, keeping the action crisp and instantaneous.

- **Hyper-Fast 165 Hz Refresh Rate:** Enjoy incredibly smooth, tear-free motion even in the fastest sequences.
- **1 ms Response Time (MPRT):** Minimizes ghosting and blurring, providing clear visuals when milliseconds count.
- **AMD FreeSync Support:** Synchronizes the screen's refresh rate with your GPU, eliminating screen tearing and stuttering.
- **Low Input Lag & Gaming UX:** Optimized features like Super Arena Gaming UX and Virtual AIM point enhance precision and responsiveness.
- **HDR10 Dynamic Range:** Supports High Dynamic Range 10 (HDR10) to deliver deeper blacks and brighter whites, revealing details hidden in shadows and highlights.

Visual Fidelity and Comfort

Beyond speed, the G55C is built for long gaming sessions without compromising eye health. With a high 2500:1 contrast ratio (Mega Contrast dynamic ratio), visuals are sharp and vibrant across 16.7 million colors.

- **1000R Curvature:** The intense curve minimizes eye strain by maintaining a consistent focal distance across the entire screen.
- **Samsung Eye Saver Mode & Flicker-Free Technology:** Reduces blue light emissions and irritating screen flicker, maximizing viewing comfort.
- **WQHD Resolution (2560 x 1440):** Offers significantly more screen space and sharper images compared to standard Full HD.
- **Connectivity:** Features 1x HDMI 2.0 port and 1x DisplayPort 1.2, plus a dedicated headphone output.
