ASUS ProArt PA279CRV Monitor – Professional 4K Color Accuracy

Designed specifically for professional video editors, graphic designers, and digital artists, the ASUS ProArt Display PA279CRV offers stunning 4K Ultra HD resolution on a crisp 27-inch IPS panel. This monitor ensures your creative vision is displayed with exceptional detail and true-to-life color reproduction, making it the perfect tool for critical creative work.

Unrivaled Color Precision

As a Calman Verified display, the PA279CRV is factory pre-calibrated to achieve an outstanding color accuracy rating of Delta E 2. It provides expansive professional color coverage, supporting 99% of the DCI-P3 cinema-standard color space and 99% Adobe RGB, ensuring highly precise and consistent results across all professional workflows. Furthermore, VESA DisplayHDR 400 compliance enhances contrast and brightness for realistic HDR content creation.

Simplified Workflow with USB-C Connectivity

Streamline your workspace and maximize efficiency with the integrated USB-C port. This versatile connection supports DisplayPort™ functionality, ultra-fast data transfers, and powerful 96-watt Power Delivery (PD) — allowing you to charge compatible laptops or devices using a single cable while maintaining a clean, efficient setup. The ergonomic stand ensures maximum comfort for long editing sessions, offering full tilt, swivel, pivot, and height adjustments.
