Hear game audio like you never have before. Transport yourself to another world of immersive gaming.

Ultimate clarity and sound quality come together in the Nova Pro Acoustic System, raising the bar for what audio in gaming means. SteelSeries' audio engineers pushed the envelope for legendary performance with Premium High Fidelity Drivers, achieving sound purity unlike any other gaming headset.

Fully immerse yourself with Active Noise Cancellation, removing outside noise with an advanced 4-mic hybrid system. Transparency mode is just a button press away with adjustable hear-through levels to suit your situation. Take total control of every sonic element with magical precision, highlighting every critical step, reload, or vocal, utilizing the Pro-grade Parametric EQ, a first in gaming.
