### Tomtoc Navigator-A33 laptop shoulder bag (black)

The Tomtoc Navigator-A33 is a bag designed for everyday convenience. It accommodates laptops up to 14 inches, while offering well-thought-out space for all necessary accessories. The simple, professional look here goes hand in hand with functionality that works for everyday use.

#### Well-organized space

The bag has two roomy compartments with additional pockets and dividers. This makes it easy to fit your laptop, tablet, charger, mouse, documents and even some smaller accessories. An additional back pocket allows quick access to a notebook or briefcase without opening the main compartment.

#### Protection for your laptop and carrying comfort

A special padded laptop compartment protects your device from shocks and scratches. The bag can be carried in hand by its reinforced handles or on the shoulder thanks to an adjustable, soft strap. In addition, there is a strap on the back that allows you to attach the bag to your suitcase, which you will appreciate when traveling.

## Materials resistant to everyday challenges

The outer layer of the bag is made of tear- and splash-resistant material, which protects the contents in less favorable conditions. The whole bag is closed with durable, high-quality YKK zippers, which work smoothly even with frequent use. What's more, the bag was sewn from recycled materials - it uses fabric derived from 100% recycled PET bottles.

**Manufacturer** Tomtoc
