Newly Upgraded for AI Potential

Boost your AI performance with the latest NPU. The Summit 13 AI+ Evo, powered by up to Intel® Core™ Ultra 7 processor (Series 2) and verified as an Intel® Evo™ Edition platform laptop, accelerates AI programs with more than 40 NPU TOPS to deliver more battery efficiency and speedy AI workloads. Unlock a new possibilities easier, faster, smarter, smoother - from virtual meetings to data-intensive applications.

A new AI era begins

Manifest your imagination - Copilot works with you to write, edit, summarize, create content - and even give suggestions. MSI AI Engine automatically tunes your laptop to the most optimal settings. Harness the AI power anytime, anywhere.

MSI AI Engine

MSI AI Engine is able to detect user scenarios and automatically adjust hardware settings to achieve the best performance. With simple AI tuned modes and resources, you can focus on the important things like creating, work and entertainment.

Power to move freely

The Summit 13 AI+ Evo is designed with high mobility and productivity in mind, perfect for continuous, on-the-go use. With a long-lasting battery and Thunderbolt™ 4 port featuring PD charging technology, you can work from anywhere.

Designed for Amazing Conferencing From Anywhere

Take control of your meetings with MSI AI-exclusive features. Utilizing 3D Noise Reduction+ (3DNR+) and AI Noise Cancellation Pro technology to enhance the productivity of your conference calls.

The Perfect Match

Compatible with the MSI Pen 2 that comes with the latest Microsoft MPP 2.6, providing haptic feedback for a realistic writing experience. MSI Pen 2 allows you to accurately reproduce the finest lines and shading.

Your Privacy Matters

Disable the laptop's camera through Webcam Shutter, providing users with a safe and reassuring private experience.

More Spacious Working Space

The 16:10 aspect ratio gives you a massive boost in workspace and a more comfortable visual experience, especially during long periods of use.

Enterprise Grade Security

The Summit series offers the highest security solutions to ensure the safety and security of your data.

Ports for Your Productivity

The Summit series maintains an ultra-thin and light profile without sacrificing any I/O ports.

All-in-One Functionality

The MSI Center S provides a new interface which is simpler and more effortless. Taking optimization to the next level with easily adjustable system modes and resources for a wide range of scenarios and needs.

Wireless Reimagined

The latest Wi-Fi 7 network speed packs more data into each transmission, making it significantly faster. Its potential maximum data rate of nearly 5.8 Gbps, which is 2.4x faster than the 2.4 Gbps speeds with Wi-Fi 6/6E, making it easy to stream high-quality video, or downloading large files in less time than the best legacy Wi-Fi technology, accomplish your tasks at breathtaking speeds.

Elevated Military-Grade Durability

To provide the best in class laptops for all kinds of professionals, MSI laptops go through tremendous rigorous tests. Tailored for professional minds and exploratory spirit, MSI laptops support you as you pursue your passions.
