

Processor AMD Ryzen 5 5600X 3.7 GHz (Vermeer) AM4 - with AMD Wraith Stealth Cooler

Modelis: 100-100000065BOX

Gamintojas: AMD

EAN: 730143312042

Prekės kodas: 387065

201.99€

AMD Ryzen 5 5600X: Next-Level Performance for Gamers and Creators

The AMD Ryzen 5 5600X is a leading desktop processor designed for demanding gamers and productivity users who require high clock speeds and excellent multi-core performance. Built on the revolutionary "Vermeer" architecture (Zen 3), this CPU offers significant generational improvements in instruction per clock (IPC), delivering lightning-fast responsiveness whether you are gaming,

streaming, or running complex creative workloads.

Core Specifications and Zen 3 Architecture

Operating on the robust AM4 platform, the Ryzen 5 5600X maintains high compatibility while providing cutting-edge performance. With a base frequency of 3.7 GHz and the ability to dynamically boost to higher speeds, this processor ensures smooth operation even under heavy load. The improved Zen 3 design enhances data efficiency and reduces latency, making it the perfect foundation for a high-performance PC build.

Key Features of the AMD Ryzen 5 5600X

- Base Clock Speed: 3.7 GHz for powerful base performance.
- Architecture: "Vermeer" (Zen 3) for industry-leading efficiency and single-core speed.
- Socket Compatibility: Designed for the widely used AMD AM4 platform.
- Included Cooling Solution: Comes bundled with the quiet and effective AMD Wraith Stealth Cooler, simplifying the initial setup process.
- Optimized for Gaming: Delivers high frame rates and ultra-low latency necessary for competitive and immersive gaming experiences.

Ready to Install: Includes Wraith Stealth Cooler

This boxed version of the AMD Ryzen 5 5600X includes the genuine AMD Wraith Stealth cooler. This low-profile cooling solution provides reliable thermal management out of the box, ensuring the processor operates efficiently while maintaining a quiet acoustic profile, allowing users to get their new system running quickly without needing to purchase a separate cooling solution.

AMD (Advanced Micro Devices) is a global leader in high-performance computing, graphics, and visualization technologies. AMD processors are renowned for their excellent price-to-performance ratio and innovation in desktop computing.

Order your AMD Ryzen 5 5600X today from ++SHOP++ and experience the ultimate balance of power and efficiency for your next PC build.
