

Processor AMD Ryzen 5 7500X3D for Gaming, AM5 Socket, 3D V- Cache Technology

Modelis: 100-100001904WOF

Gamintojas: AMD

EAN: 730143318167

Prekės kodas: 387156

270.99€

AMD Ryzen 5 7500X3D Processor - Ultimate Gaming Performance

Step into the next generation of gaming with the powerful AMD Ryzen 5 7500X3D processor. Engineered specifically for gamers seeking maximum frame rates and efficiency, the 7500X3D combines the advanced Zen 4 architecture with groundbreaking 3D V-Cache technology, making it one of the most competitive CPUs in its class for gaming applications.

Revolutionary 3D V-Cache Technology

The defining feature of the Ryzen 5 7500X3D is the integrated 3D V-Cache, which significantly increases the available L3 cache directly on the processor die. This massive cache boost dramatically improves performance in titles that are sensitive to latency and cache size, ensuring smoother gameplay and higher average FPS in demanding games.

Key Platform Features:

- **Socket AM5 Compatibility:** Designed for the new AM5 platform, ensuring long-term compatibility and access to cutting-edge technologies.
- **Optimized for Gaming:** Built to dominate in competitive gaming scenarios, delivering outstanding speed and responsiveness.
- **Zen 4 Architecture:** Leveraging the highly efficient Zen 4 core design for superior power efficiency and clock speeds.
- **Future-Ready Technology:** Supports modern standards like PCIe 5.0 and DDR5 memory, setting the foundation for high-performance PC builds.

Whether you are building a new system or upgrading to the AM5 standard, the Ryzen 5 7500X3D provides exceptional value, delivering flagship-level gaming performance without the flagship price tag.

AMD (Advanced Micro Devices) is a global leader in high-performance computing, graphics, and visualization technologies. Known for innovation and pushing the boundaries of processor design, AMD continues to power the most demanding desktop and server environments.

Order today from ++SHOP++ as we offer the best prices and reliable delivery for all your computing needs.
