

Graphics Card AMD Radeon Pro W7600 8 GB GDDR6 Single Slot Workstation GPU

Modelis: 100-300000077

Gamintojas: AMD

EAN: 727419314855

Prekės kodas: 387177

785.99€

AMD Radeon Pro W7600: Professional Performance in a Single Slot

The AMD Radeon Pro W7600 8 GB GDDR6 Graphics Card is engineered for demanding professional workflows, offering exceptional power efficiency and performance for creators, designers, and engineers. Built on advanced 6 nm lithography, this GPU delivers robust rendering and real-time visualization capabilities, making it ideal for compact workstation environments.

Featuring 2440 stream processors and 32 dedicated Ray Accelerators, the Radeon Pro W7600 provides accelerated performance in modern applications utilizing DirectX 12 Ultimate. The card is equipped with 8 GB of high-speed GDDR6 memory, operating on a 128-bit memory bus, ensuring a maximum bandwidth of 288 GB/s for rapid data handling.

Optimal Efficiency and Compact Design

Designed with efficiency in mind, the AMD Radeon Pro W7600 maintains a low typical power consumption of only 130 W, requiring a minimum system power supply of 500 W and a single 6-pin supplementary power connector. Its single-slot, Full-Height (FH) form factor coupled with active cooling makes integration into various professional chassis straightforward, without compromising workspace.

Connectivity and Visual Fidelity

- **High Resolution Support:** Experience stunning visual clarity with maximum resolutions up to 7680 x 4320 pixels (8K).
- **Advanced Display Connectivity:** Features four DisplayPort 2.1 outputs, allowing connection to multiple high-resolution displays simultaneously for expansive multitasking.
- **API Compatibility:** Full support for industry-standard APIs including DirectX 12 Ultimate, OpenGL 4.6, and OpenCL 2.0.
- **Broad OS Support:** Certified compatibility with Windows 11 x64, Windows 10 x64, and various Linux operating systems.

AMD (Advanced Micro Devices) is a global semiconductor company known for producing high-performance computing and visualization products, including CPUs, GPUs, and technologies for professional workstations and servers. Their Radeon Pro line is specifically designed to meet the rigorous demands of professional creative and engineering workflows.

Order today from ++SHOP++ as we offer the best professional components and fast delivery solutions.

Ray accelerators: 32 | Dual Link DVI: No | Product colour: Black | Linux operating systems supported:
