you connect and work clearly, offering exceptional image quality and consistent colors across 178° viewing angles. With an anti-glare screen and 250 cd/m² brightness, it is perfect for everyday business use and conference calls, allowing you to connect like you're truly there.

Seamless Connectivity and Power Delivery

Transform your desk into a highly efficient hub. The P2424HEB offers robust connectivity, making cable management easier and ensuring you have all the necessary ports for peripheral connections and networking.

- **USB-C Connectivity:** Enjoy a single-cable solution that transmits video, data, and delivers up to 90W of power delivery, simultaneously charging your connected laptop or device.
- **Integrated Networking:** The built-in Ethernet LAN (RJ-45) port ensures a stable, reliable internet connection directly through the monitor.
- **Versatile Video Inputs:** Connect easily using the included HDMI port.

Ergonomics and Integrated Collaboration

Maximize comfort and productivity throughout your workday with extensive ergonomic adjustments. This monitor is ready for video conferencing straight out of the box thanks to integrated audio capabilities.

- **Full Adjustability:** Customize your viewing experience with Height Adjustment (up to 15 cm), Swivel, Tilt, and Pivot (-90° to 90°) features, allowing you to find the perfect angle for any task.
- **Wide Viewing Angles:** IPS technology ensures 178° vertical and horizontal viewing angles, maintaining image integrity whether standing or sharing your screen.
- **Built-in Speakers:** Integrated 10W RMS rated speakers provide clear audio for calls, presentations, and multimedia content.
- **VESA Compatibility:** Easily mount the monitor using the 100x100 VESA interface for optimal space saving.

Dell is a global leader in computing technology, renowned for delivering reliable, high-performance monitors and professional IT solutions designed to boost productivity and collaboration in the modern workplace.
