Transform your desk setup with the integrated USB hub capabilities of the P2725HE. Featuring a robust USB 3.2 Gen 1 (3.1 Gen 1) hub, this professional monitor allows you to easily connect peripherals while simultaneously charging your laptop or device. The high 90W power delivery capability via USB-C means you can keep compatible notebooks fully powered without needing extra cables or chargers, ensuring a clean and efficient workspace setup.

Stunning Visuals and Enhanced Comfort Features

- Crisp Full HD resolution (1920 x 1080) on a large 27-inch (68.6 cm) screen provides ample viewing area.
- IPS Panel Technology ensures vibrant color reproduction and extremely wide 178° viewing angles both horizontally and vertically.
- Fast 100Hz refresh rate supports smoother on-screen motion compared to standard monitors.
- High 1500:1 contrast ratio and 300 cd/m² brightness deliver clear and detailed images in various lighting conditions.
- TÜV 4-Star Eye Comfort Certification guarantees advanced visual well-being features designed to significantly reduce fatigue.
- Standard response time of 8 ms ensures reliable, smooth rendering of typical office and productivity content.

Ergonomics and Professional Design

Designed for flexibility, the P2725HE offers comprehensive adjustment options to suit any user. Easily find your perfect viewing position with full height adjustment and VESA mounting compatibility for versatile installation. Its sleek black finish and 16:9 native aspect ratio integrate perfectly into any professional environment, maximizing screen space with minimal bezels.

DELL is globally recognized for manufacturing reliable, high-performance technology solutions, from personal computers to sophisticated display systems designed for demanding professional environments.
