Dell P2425HE 24-inch FHD Hub Monitor - Optimized for Productivity and Comfort

The Dell Pro Plus P2425HE is engineered for modern professional workflows, offering superior visual clarity and extensive connectivity in a 24-inch Full HD display. Featuring fast 100 Hz refresh rates and brilliant IPS technology, this monitor delivers smooth, consistent performance. Importantly, this model is designed for custom setups and is supplied **without a stand**, making it immediately ready for VESA mounting solutions.

Superior Connectivity and Power Delivery

Transform your desk into a powerful workstation with the integrated USB-C hub. The P2425HE offers robust connectivity, delivering up to 90W of power via USB-C, ensuring your connected laptop stays charged while minimizing cable clutter. A built-in Ethernet (RJ-45) port also provides stable network access directly through the monitor.

Key Features for Professionals:

- **24-inch Full HD (1920 x 1080):** Crisp, detailed visuals ideal for multitasking and everyday professional applications.
- **IPS Panel Technology:** Ensures wide 178° vertical and horizontal viewing angles with consistent, accurate color representation.
- **100 Hz Refresh Rate:** Provides smoother motion handling compared to standard 60 Hz displays, enhancing viewing comfort.
- **TÜV 4-Star Eye Comfort Certification:** Offers enhanced visual comfort designed to reduce eye strain during long work sessions.
- **Versatile Mounting:** VESA compatible (100x100) and designed for use with existing or separate monitor arms (stand is not included).
- **Comprehensive Ports:** Includes 1x HDMI, 1x DisplayPort, and extensive USB-C connectivity with 90W Power Delivery.

DELL is globally recognized as a leader in high-performance computing and display technology, consistently delivering reliable and innovative solutions tailored for business environments.

Order today from ++SHOP++ as we offer the best selection of professional monitors and IT accessories.

Connect to productivity. Certified by TÜV for 4-star eye comfort, this FHD hub monitor (without stand) offers enhanced visual comfort and offers up to 90W of power delivery.
