- **Match-on-Chip Fingerprint Reader:** Secure login and bootup with the fingerprint reader integrated into the power button.
- **Trusted Platform Module (TPM):** Encrypts critical data for enhanced security.
- **Kensington Nano Security Slot™:** Provides robust defense against physical theft.
- **Webcam Privacy Shutter:** Toggles off for added privacy.

Sleek Style & Modern Appeal

The ThinkBook 14 Gen 7 exudes elegance with its aluminum chassis in a modern Arctic Grey color. The keyboard is designed for comfort and accuracy, featuring curved keycaps that align with your fingertips for a natural typing experience. LED-status lights on the speaker and microphone keys offer easy audio control.

Connectivity

Stay connected with the ThinkBook 14 Gen 7, whether in the office or on the go. WiFi ensures a stable online connection. A wide array of ports, including USB-C 4, provides high-speed file transfer. The HDMI port allows easy connection to monitors, and the SD card reader offers multiple ways to access files.

Smart Collaboration

Enhance your focus and productivity with smart time-saving technology. Dual-array mics and speakers with Dolby Audio™ and Lenovo Smart Meeting ensure noise-canceling audio for clear calls. Features like eye-contact correction, auto-framing, background blurring, and camera choices keep you looking your best on video conferences.

Reliability

ThinkBook laptops meet or exceed 12 US Department of Defense's MIL-STD 810H standards, enduring extreme conditions including Arctic wilderness, desert dust storms, and more. The re-engineered keyboard is spill-resistant up to 60ccs and improves thermal performance.

Boost Your Productivity

Portable and energy efficient, the Lenovo ThinkBook 14 Gen 7 (14" AMD) laptop boasts the potential to significantly boost your productivity. With AMD Ryzen™ 7000 Series processors combined with Windows 11, you'll enjoy speedy performance, improved efficiency, and enhanced features that cater to demanding workloads and modern workstyles. What's more, with dual memory and dual SSD slots, your device can easily be expanded as your needs grow.

Seamless Security That Works for You

Equipped with advanced security features, the ThinkBook 14 Gen 7 laptop offers comprehensive data-device protection. Its optional match-on-chip fingerprint reader integrated on the power button allows secure login and instantaneous bootup, while its Trusted Platform Module (TPM) encrypts crucial data. Plus, it comes with a Kensington Nano Security Slot™ that provides defense against physical theft. And, for extra privacy, there's a webcam privacy shutter that can be toggled off for convenience.

Sleek Style & Modern Appeal

Exuding elegance and professionalism, the ThinkBook 14 Gen 7 laptop features a silky aluminum chassis in a modern Arctic Grey colour. We've designed the keyboard for comfort and accuracy with curved keycaps that align perfectly with the shape of your fingers for a more natural, ergonomic typing experience. LED-status lights on the speaker and microphone keys make it easy to control your audio settings and ensure you'll be heard when you speak.

Keeps You Well-Connected

Whether you're in the office, on the go, or working from home, the ThinkBook 14 Gen 7 laptop keeps you connected. WiFi options keep you online without lag time, even on crowded public platforms when you're out and about. The wide array of ports — including USB-C 4 — offers the best in high-speed file transfer and connection to all your peripherals. An HDMI port lets you hook up a monitor with ease, while the SD card reader provides multiple ways to access files. No matter where your work takes you, you can trust business to continue as usual.

Experience Smart Collaboration

With its smart time-saving technology, the ThinkBook 14 Gen 7 laptop helps keep you focused and more productive. Dual-array mics and speakers with Dolby Audio™ along with Lenovo Smart Meeting mean you'll enjoy noise-canceling audio that enables crystal-clear calls without background
