- **Crystal Clear QHD Resolution (2560 x 1440):** Experience highly detailed and sharp imagery, giving you significantly more screen real estate compared to standard Full HD displays.
- **Vibrant IPS Panel Technology:** IPS screens offer superior colour accuracy and wide 178/178 degree viewing angles, ensuring consistent picture quality from almost any perspective.
- **Enhanced Colour Gamut:** Enjoy exceptional colour reproduction with 117% sRGB and 100% NTSC coverage, making this monitor suitable for tasks requiring accurate colour calibration.
- **Smooth Viewing at 75 Hz:** The higher refresh rate of 75 Hz, combined with a quick 4 ms (Grey-to-Grey) response time, delivers smoother motion sequences than conventional 60 Hz displays.
- **Anti-glare Protection:** The screen features an Anti-glare coating (3H Hard Coating, Haze 25%), minimizing disruptive reflections in bright environments.

Connectivity and Design

The 245E1S offers versatile connectivity options, including DisplayPort 1.2, HDMI, and traditional VGA, ensuring compatibility with various devices, from modern PCs to legacy systems. The monitor is designed with a sleek, textured black finish and allows for easy tilt adjustments to achieve the most ergonomic viewing position. It is ENERGY STAR and RoHS compliant, emphasizing power efficiency and sustainability.

MMD-MONITORS & DISPLAYS produces high-quality displays under the Philips brand, focusing on innovative features, sustainability, and user comfort.
