Philips 24B2G5200: Professional Full HD IPS Monitor

The Philips 24B2G5200 is a highly versatile desktop monitor designed for demanding professional environments and detailed multimedia work. Combining a crisp Full HD (1920 x 1080) resolution with a high-performance IPS panel, this 24-inch display delivers exceptional image quality, wide viewing angles, and rich color reproduction, covering 110% of the sRGB gamut.

Smooth Visuals and Connectivity

Experience smoother motion and reduced eye strain thanks to the variable refresh rate capabilities. While connecting via DisplayPort or HDMI, this monitor achieves a rapid 100 Hz refresh rate, significantly enhancing clarity in fast-paced content compared to standard 60Hz displays. Its robust connectivity options—including HDMI, DisplayPort, and legacy VGA—ensure compatibility with various systems.

Ergonomics and Productivity Features

Designed for comfort during long working sessions, the 24B2G5200 boasts a fully adjustable SmartErgoBase stand. This allows for precise customization of height, tilt, swivel, and pivot (90-degree rotation), ensuring you achieve the optimal viewing position. Further enhancing productivity, an integrated USB Hub provides convenient access for peripherals and charging devices, keeping your desk tidy and efficient.

- **Panel Technology:** High-quality IPS panel offering 178/178 degree viewing angles and excellent color consistency.
- **Resolution and Refresh Rate:** Full HD 1920 x 1080 resolution with a maximum refresh rate of 100 Hz (via DP/HDMI).
- **Superior Color Performance:** Vibrant colors with 110% sRGB and 96% NTSC coverage.
- **Anti-Glare Coating:** 3H Hard Coating (Haze 25%) reduces reflections for comfortable viewing in bright offices.
- **Ergonomic Design:** Full range of adjustments (Height, Pivot, Swivel, Tilt) and Eyesafe Display certification for reduced blue light emissions.
- **Connectivity Hub:** Built-in USB Hub alongside HDMI, DisplayPort 1.2, and VGA inputs.
- **Sustainable and Certified:** Meets strict environmental standards, including TCO Certified Edge Displays, TCO Certified Displays 9, and EPEAT Gold status.
