The 24G4HRE eliminates motion blur and screen tearing, delivering a responsive and immersive experience. With a 1ms GtG (Gray-to-Gray) response time and an incredibly fast 0.5ms MPRT (Moving Picture Response Time), input lag is minimal, and every frame is rendered with razor-sharp clarity.

- **Ultra-Fast Refresh Rate:** Achieve superior fluidity with the 200Hz refresh rate, ensuring that fast-moving objects are tracked smoothly.
- **Crisp Response Times:** 1ms GtG response time combined with 0.5ms MPRT for virtually instantaneous pixel transitions.
- **Adaptive Sync Technology:** Supports Adaptive Sync, ensuring tear-free and stutter-free gameplay, compatible with technologies like NVIDIA G-Sync for enhanced synchronization.
- **Full HD (1920x1080):** Standard Full HD resolution displayed on a 23.8-inch screen provides excellent pixel density for clear visuals.

## Vibrant Fast IPS Panel and HDR10 Support

Built upon Fast IPS technology, the 24G4HRE not only provides exceptional speed but also superior color quality and wide 178° viewing angles (vertical and horizontal). The integration of HDR10 support and a wide color gamut provides stunning contrast, deep blacks, and vibrant colors, elevating both gaming and multimedia consumption.

## Connectivity and Design

The monitor features a modern, aggressive black and red design signature of the AOC G-series. Connectivity options ensure versatility for multiple devices, and the adjustable stand allows you to find the perfect viewing position.

- 2 x HDMI 2.0 ports
- 1 x DisplayPort 1.4 port
- Built-in speakers for convenient audio output
- VESA mounting support and height adjustment for optimized ergonomics.

**AOC (Admiral Overseas Corporation)** is a global leader in display technology, renowned for delivering high-quality, performance-driven monitors catering to professional, general, and competitive gaming markets.
