Stunning Colors

This monitor is equipped with HDR technology and is compatible with industry standard HDR10, based on the sRGB 99% color gamut. It supports specific levels of color and brightness that let viewers enjoy their content in dramatic colors.

Easy Control and Connectivity

USB Type-C™ ports allow 4K display, data transfer and connected device charging (up to 96W), all at the same time over a single cable.

Immersive Gaming Experience

Experience the immersion of the 3BP55U-B, this 4K HDR display boosts crisp image quality and color. Add to that, AMD FreeSync™ technology, Dynamic Action Sync and Black Stabilizer and you have an immersive gaming experience.

AMD FreeSync™

AMD FreeSync compatibility brings clearer, faster, smoother game play. Reduce screen tearing and minimize stutter and input lag to experience virtually seamless, fluid movement in high-resolution and fast-paced games.

Dynamic Action Sync®

Get the closest thing to real-time gaming. Dynamic Action Sync elevates your gameplay for a pro-level experience. Respond to action, opponents and every moment with minimized input lag and unbelievable performance.

Black Stabilizer®

Your gameplay is never in the dark. Black Stabilizer is your ally to attack or defend against enemies hiding in the shadows. It delivers a pro-level gaming experience for enhanced vision and a jump on the competition.

Easy and Comfortable

The ergonomic stand makes it easy to flexibly adjust the height, tilt, and pivot of the screen in the optimal position for you.
