Built with a high-performance Fast IPS panel, the 27M2N3201A offers vibrant colors and wide 178° viewing angles, ensuring consistency regardless of where you sit. The Full HD resolution (1920 x 1080) coupled with HDR quality imagery brings details to life. Enhance your aiming precision with the integrated Smart Crosshair feature, designed to assist in competitive shooting scenarios.

Key Features for Competitive Play:

- **27-inch Full HD (1920x1080) Resolution:** Clear, sharp visuals optimized for gaming performance.
- **180Hz Refresh Rate:** Provides ultra-smooth motion handling, crucial for professional gaming.
- **1ms Response Time (MPRT/GtG):** Virtually eliminates ghosting and motion blur for precise tracking.
- **Fast IPS Panel Technology:** Combines the speed of TN panels with the superior color reproduction and viewing angles of IPS.
- **HDR Quality Imagery:** Enhanced contrast and deeper colors for a more immersive experience.
- **Smart Crosshair:** An integrated overlay tool to improve accuracy in fast-action FPS titles.
- **Ergonomic Design:** Includes VESA mounting compatibility and height adjustment for optimal viewing comfort.
- **Integrated Speakers:** Convenient built-in sound for quick setup or casual use.

PHILIPS, through its Evnia line, is committed to creating gaming peripherals that merge aesthetic design with cutting-edge technology, catering to the needs of modern gamers seeking both performance and style. The 27M2N3201A, presented in a stylish white finish, is a testament to this commitment.

Order this high-speed Philips Evnia gaming monitor today from ++SHOP++ and experience the next level of visual responsiveness.

This monitor can play up to a speed of 180Hz for any game. Not only that, but it packs a plethora of other features that make it the ideal companion, such as Full HD resolution, HDR quality imagery, and Smart Crosshair.
