Enjoy smooth performance with a 60 Hz maximum refresh rate and a rapid 5 ms response time, ideal for general computing and media consumption. The display brightness of 400 cd/m² ensures clear visibility even in well-lit environments, bringing your HDR content to life.

This monitor is a productivity powerhouse, featuring a highly versatile USB-C port that supports 90W Power Delivery. This allows you to charge your compatible laptop and transfer data/video signals simultaneously using a single cable, minimizing desktop clutter.

Key Features for Professionals:

- **27-inch UHD (4K) IPS Display:** Delivers outstanding clarity and color fidelity (3840 x 2160 resolution).
- **USB-C Connectivity with 90W PD:** Simultaneous charging and video signal transmission via one universal port.
- **Comprehensive Ergonomics:** Features height adjustment, tilt adjustment, and pivot functionality to find the perfect viewing angle.
- **Built-in Speakers:** Integrated audio solution for convenient media playback without external peripherals.
- **Versatile Connectivity:** Includes 2 x HDMI ports and 1 x DisplayPort, ensuring compatibility with multiple devices.
- **VESA Compatibility:** Standard 100x100 VESA mounting interface allows for easy wall or stand mounting.

LG (Life's Good) is a global leader in technology and innovation, renowned for producing high-quality electronics, including cutting-edge monitors that set industry standards for performance and design.

Order the LG 27UP850K-W 4K monitor today from ++SHOP++ and elevate your workspace with unparalleled visual quality and connectivity.
