PHILIPS I-Line 32BDL5150I Digital Signage Display

The Philips 32BDL5150I I-Line display is an ideal replacement for A2 color posters and POS systems. This digital signage flat panel offers a significant upgrade for ePaper displays, showcasing static imagery in 65,000 ultra-clear colors while using zero power to display images. It requires only super-low power to manage the display and update content, making it an energy-efficient solution.

Features:
