a wide 178-degree viewing angle. With a rapid 5 ms grey-to-grey response time, it handles both detailed professional tasks and media playback efficiently.

Pristine Visual Performance and Color Accuracy

Experience true-to-life color reproduction and cinematic quality thanks to high specifications designed for precision work:

- **4K UHD Resolution:** Crystal-clear visuals with 3840 x 2160 resolution at 60 Hz.
- **HDR10 Support:** Enhances the dynamic range, delivering deeper blacks and brighter whites for immersive content viewing.
- **Professional Color Gamut:** Covers 95% of the DCI-P3 (CIE 1976) color space, ensuring accuracy crucial for photo and video editing.
- **High Brightness and Contrast:** Features 350 cd/m² brightness and a 1000:1 contrast ratio, providing vivid and detailed imagery.
- **1.07 Billion Colors:** Supports 10-bit color depth (8-bit + FRC) for smooth gradients and lifelike color transitions.

Unrivalled Ergonomics and Streamlined Connectivity

The core feature of the 32UN880K-B is its innovative Ergo stand, providing unparalleled flexibility to optimize your workspace and reduce physical strain. The clamp-style stand is designed for minimal footprint and maximum adjustability.

- **Full Positional Adjustments:** Easily adjust height, tilt, swivel, pivot (rotation), and extend or retract the screen to find your optimal viewing position.
- **USB-C Power Delivery (PD):** Simplify your setup with a single USB-C cable that carries the 4K display signal and simultaneously delivers 60W of charging power to compatible laptops.
- **Integrated Hub and Ports:** Includes two HDMI ports, a DisplayPort, and a USB 3.0/USB-C hub for effortless connectivity across multiple devices.
- **Built-in Stereo Speakers:** Enjoy clear audio output with integrated 5W stereo speakers per channel.
- **Cable Management:** Features integrated cable routing within the stand to keep your desk neat and clutter-free.
