Connect it easily to your laptop, tablet, or smartphone using the versatile USB Type-C connection, which supports DisplayPort Alternate Mode and power delivery.

Superior Visual Performance and Mobility

Experience consistent image quality and wide viewing angles thanks to the premium IPS (In-Plane Switching) panel. Designed for comfort and clarity, the anti-glare screen minimizes reflections, allowing you to work effectively in various lighting conditions.

- **Display Diagonal:** 15.6 inches (39.6 cm) Full HD resolution (1920 x 1080 pixels).
- **Panel Technology:** IPS panel ensures accurate colours and wide 178° horizontal and vertical viewing angles.
- **Brightness and Contrast:** Typical brightness of 250 cd/m² and a strong dynamic contrast ratio of 3,000,000:1.
- **Fast Response:** Featuring a response time of 14 ms (or 6 ms fast mode) and a 60 Hz maximum refresh rate.
- **Anti-Glare Screen:** Reduces eye strain during long working sessions.

Seamless Connectivity and Ergonomics

The ThinkVision M15 acts as a convenient connectivity hub for your mobile devices. It features two USB Type-C ports, allowing for power pass-through and ensuring easy setup without bulky adapters. The integrated ergonomic stand allows you to perfectly adjust the screen to your preference.

- **Dual USB-C Connectivity:** Includes one upstream and one downstream USB Type-C port, functioning as a hub (Version 2.0 / 3.2 Gen 1).
- **Ergonomic Adjustment:** Features both height adjustment (max 1 cm) and a wide tilt adjustment range (0 - 90°) for optimal viewing angles.
- **Portability:** Exceptionally light weight of 860 g makes it ideal for travel.
- **Mounting Options:** VESA mounting compatibility (100 x 100 mm) for flexible placement.
- **Energy Efficient:** Low power consumption (8 W typical), certified ENERGY STAR and RoHS compliant.

Lenovo is a global technology leader known for designing and manufacturing innovative, reliable, and high-quality computers, monitors, and IT solutions, catering to both professional and consumer needs worldwide.
