The Lenovo ThinkVision P27u-20 is a professional 27-inch 4K UHD monitor engineered for uncompromising clarity and color precision. Featuring a stunning IPS panel and 3840 x 2160 resolution, this display caters to content creators, designers, and demanding professionals who require perfect visual accuracy and high productivity. Its sleek Raven Black design incorporates industry-leading connectivity options to ensure a clean, clutter-free workspace while minimizing eye strain, validated by TUV Rheinland Eye Comfort Certification.

Productivity and Connectivity Hub

The P27u-20 is designed to serve as a comprehensive productivity hub, simplifying your workstation setup. The monitor features robust integrated connectivity for efficient multitasking and power management.

- **Native 4K UHD Resolution:** Crystal-clear 3840 x 2160 resolution (60 Hz) on a 27-inch IPS panel, providing exceptional detail and wide 178° viewing angles.
- **Thunderbolt 4 Docking:** Features a high-speed Thunderbolt 4 input/output, offering data transfer, video signal, and up to 27W Power Delivery (PD) through a single cable, streamlining connectivity.
- **Integrated KVM Switch:** Allows users to seamlessly switch control between two connected systems using the same keyboard, mouse, and display peripherals.
- **Built-in Network Capabilities:** Includes a Gigabit Ethernet network adapter, transforming the monitor into a complete docking station.
- **Fast Response Time:** Excellent performance with a 4 ms (extreme) response time.

Exceptional Color Accuracy for Professionals

Achieve unparalleled visual fidelity crucial for color-sensitive workflows. This display covers vast professional color spaces, ensuring that your work is represented accurately across various industry standards.

- **Colour Depth:** Supports 1.07 billion colours.
- **Brightness and Contrast:** 450 cd/m² brightness with a 1000:1 native contrast ratio.
- **Color Gamut Coverage:** 99.5% Adobe RGB, 99.1% DCI-P3, 100% sRGB, and 100% BT.709.
- **Inputs:** Multiple connections including Thunderbolt 4, 2x HDMI, and DisplayPort.
