cable connectivity. Featuring 3-side NearEdgeless bezels, this display is perfect for seamless multi-monitor setups via DP-Out daisy-chaining, maximizing your multitasking potential with an expansive 178° viewing experience.

## Superior Connectivity and Docking Functionality

Eliminate desktop clutter and simplify your workspace with the full-function USB Type-C port. This single cable solution provides power delivery, video, audio, and high-speed data transfer (USB 3.2 Gen 1). The integrated Ethernet port (RJ45) ensures secure, reliable network access and supports remote management capabilities like PXE, WOL, and Mac Address Pass Through (MAPT), essential features for corporate IT environments. The built-in USB hub makes connecting peripherals and accessories easy and convenient.

## Visual Comfort and Ergonomics for Professionals

Designed for long working sessions, the ThinkVision T24m-29 prioritizes eye health and comfort. Certified by TÜV Rheinland for Eye Comfort and Low Blue Light (Hardware Solution), the display uses natural low blue light technology to protect your vision without shifting colors to a yellow hue.

### Key Features:

- 23.8-inch IPS Panel with 1920 x 1080 Full HD resolution, 250 cd/m<sup>2</sup> brightness, and 72% NTSC color gamut.
- Fast 4 ms extreme response time for crisp, smooth visuals.
- USB Type-C connectivity offering video, data, and power delivery via one cable, plus DisplayPort and HDMI inputs.
- Integrated Ethernet (RJ45) port for enhanced network management and stability.
- Highly versatile ergonomic stand offering wide range height, pivot (rotation), swivel, and tilt adjustments.
- Integrated 2 x 1W speakers and smart cable management system for a clean desk setup.

**LENOVO** is globally recognized for manufacturing reliable, high-quality technology solutions, ranging from personal computing to professional display systems like the ThinkVision series, ensuring reliability, sustainability (EPEAT Gold, TCO Certified), and outstanding performance.

## **Dazzling display performance. Incredible functionality.**

### **ThinkVision T24m-29 Monitor**

Powerful display performance that supercharges your work.

The ThinkVision T24m-29 is a monitor that works harder, to bring easy connectivity and effortless management to your business. Sit back and take in the wide 23.8-inch screen, made more expansive with 3-side NearEdgeless bezels and an FHD In-Plane Switching panel. Daisy-chain the monitor via a DP-Out port, for an uninterrupted viewing plane and get set to multitask with a multi-monitor assembly. Equipped with USB Type-C<sup>1</sup> technology, the ThinkVision T24m-29 Monitor offers a one-cable solution for super-fast transfer speeds. An ethernet port enables remote management for safe, dependable connectivity that supports seamless workflow. Nifty ergonomics, a space-efficient clutter-free design and integrated 2 x 1W speakers add efficiency, ease, and comfort. Natural Low Blue Light technology eliminates sepia-toned images to protect your vision so you can dedicate more time to your tasks without straining your eyes. What's more, you'll be pleased to know that the ThinkVision T24m-29 Monitor is designed to be environmentally friendly throughout its lifetime as it comes with sustainable pulp-cushion packaging

### **Made for multitasking**

ThinkVision T24m-29 Monitor boasts superior visual clarity and remarkable color consistency through a 1920 x 1080 FHD resolution display. Get ready for a distortion-free wide-viewing angle of up to 178° with an In-Plane Switching panel. Daisy-chain multiple devices and let the monitor's 3-side NearEdgeless bezels give you an expansive, seamless multitasking experience. Let the monitor's Smart Power2 allow for effortless plug-and-play functionality, as it dynamically detects and optimizes power distribution when multiple devices like monitors, laptops, or other USB-powered

peripherals are connected.

### **Convenient, comfortable, and compatible**

The ThinkVision T24m-29 Monitor features a wobble-free stand with a wider lift range and tilt angle for ergonomic ease and working comfort. A compact square base fitted with a thoughtful phone holder offers enhanced convenience and frees up space on your desk. Integrated 2 x 1W speakers and clever cable management cut the clutter for a sleek look. Sit back and enjoy the convenience of an intuitive user interface provided by Lenovo exclusive software ThinkColour<sup>3</sup>, which offers access to advanced display settings through an effortless and efficient user interface.

### **Connectivity your business can bank on**

Let your business get way head, faster. Make the best of high-speed data transfers with the ThinkVision T24m-29 Monitor's full-function USB Type-C<sup>1</sup> port that affords single-cable connectivity for data, video, audio, and power transfer. The ethernet port (RJ45) lets you enjoy safer, quicker remote management capabilities with PXE, WOL, and Mac Address Pass Through (MAPT) support. Free up much-needed desk space with USB Type-C<sup>1</sup> with DP-Out. The ThinkVision T24m-29 Monitor also offers multiple connectivity options with USB Type-C<sup>1</sup>, HDMI, and DisplayPort that enable unfettered ease.

Crisp, colorful Lenovo ThinkVision monitors improve productivity, unleash creativity and limit eye strain - and they do it with all style, and some of the simplest and cleanest cable and connectivity options in the industry.
