Lenovo ThinkVision S27i-30: Professional 27" IPS Monitor with 100 Hz Refresh Rate

The Lenovo ThinkVision S27i-30 is engineered for modern professional environments, combining stellar visual performance with superior eye comfort. Presented in an elegant Storm Grey finish, this 27-inch monitor features a stunning Full HD (1920 x 1080) IPS display, ensuring consistent color accuracy and clarity across wide 178° viewing angles. The sophisticated 3-side NearEdgeless design maximizes screen real estate, making it ideal for seamless multi-display configurations.

Superior Visual Performance and Smooth Motion

Experience sharp details and vibrant colors essential for handling information-rich documents, analyzing dashboards, or performing graphic tasks. With 99% sRGB color gamut coverage, images and charts are rendered accurately (16.7 million colors, 8-bit depth). Furthermore, the maximum refresh rate of 100 Hz provides noticeably smoother movement compared to standard 60 Hz screens, enhancing user experience during rapid scrolling or media consumption. The fast 4 ms (Overdrive mode) response time ensures sharp, ghost-free visuals.

- **Display Technology:** 27-inch Full HD (1920x1080) IPS panel with W-LED backlight.
- **Color Accuracy:** 99% sRGB coverage.
- **Smooth Refresh Rate:** Up to 100 Hz maximum refresh rate.
- **High Contrast:** 1300:1 typical contrast ratio (3,000,000:1 dynamic contrast).
- **Brightness:** 300 cd/m² typical brightness.

Advanced Hardware-Based Eye Protection

Prioritize your health during long working sessions with industry-leading eye comfort features. The S27i-30 uses a hardware-based solution for filtering harmful blue light, certified by TÜV Low Blue Light (Hardware solution) and Eyesafe® Display 2.0. This Natural Low Blue Light technology minimizes eye strain without compromising color integrity, ensuring comfortable productivity throughout the day. The monitor is also certified TCO 9.0 and EPEAT Gold for environmental compliance.

Connectivity and Workspace Efficiency

The monitor offers versatile connection options including two HDMI 1.4 ports and a VGA (D-Sub) port, alongside an audio output jack. Designed for a clutter-free desk, the compact stand includes effective cable management. If desk space is limited, the monitor supports VESA mounting (100x100 mm). Ergonomic adjustments are easy with the stand offering a tilt range from -5° to 22°.

Lenovo is a globally recognized technology leader known for manufacturing reliable, high-performance computing devices and professional monitors like the ThinkVision series, designed specifically for enterprise and productivity use.

Order today from ++SHOP++ as we offer the best quality electronics and certified genuine products.

The ThinkVision S27i-30 is an impressive monitor replete with features that make it a perfect fit no matter what your work involves. Designed to look as impressive as it works, this monitor comes in a Storm Grey color that enhances workplace aesthetics. Its 27-inch In-Plane Switching screen packs 1920 x 1080 Full-HD resolution that offers excellent image quality and clear details at wider viewing angles that's especially beneficial when you're navigating information-rich documents. A 3-side NearEdgeless design affords plenty of screen space and it is perfect for multi-display setups. Enjoy vivid colors while viewing pie charts, analytics dashboards, or editing images with the monitor's wide 99% sRGB color gamut. Its Natural Low Blue Light technology cares for your eyes by filtering out harmful blue light, offering you longer productive hours. Generous connectivity options include two HDMI 1.4 ports, a VGA port, and an audio-out port. The stand of the monitor offers excellent tilt functionality that lets you adjust it for a more comfortable working posture. But if you want to free more space on your desk, you can also VESA mount it. The ThinkVision S27i-30 Monitor helps you cut the clutter and increase desktop space with its compact stand and concise cable management system. An intuitive joystick on the monitor gives you easy and quick access to calibrate display settings to your preference. The ThinkVision S27i-30 Monitor is manufactured in accordance with the latest TCO 9.0 regulations and uses a recyclable cushion for packaging that benefits the environment.
