The Lenovo ThinkVision T24D-40 is a premium 23.8-inch Full HD monitor designed to maximize workplace productivity, enhance connectivity, and ensure user comfort. Featuring a crisp 1920 x 1080 resolution on an advanced IPS panel, this display delivers exceptional visual clarity, wide 178° viewing angles, and vibrant colors thanks to 99% sRGB and 99% BT.709 coverage. With a smooth 120 Hz refresh rate, motion clarity is superior, making daily multitasking and media consumption effortless.

Seamless Connectivity and Ergonomics

The T24D-40 excels in connectivity, drastically simplifying your desk setup through its powerful docking features:

- **USB-C Docking with Power Delivery:** Simplify your connection using a single USB-C cable that provides up to 96W power delivery to charge your laptop, transmits video signals (HDMI, DisplayPort, USB-C inputs available), and offers data transfer via the integrated USB 3.2 Gen 1 hub.
- **Daisy Chain Capability:** Easily connect and manage multiple displays using the DisplayPort output connector, creating a streamlined, efficient multi-monitor workspace.
- **Integrated Audio:** Built-in 2x2W speakers provide clear, functional audio for video conferences, notifications, and light media consumption.
- **Fully Adjustable Stand:** Achieve perfect ergonomics and reduce physical strain with comprehensive adjustments for height, pivot (rotation), swivel, and tilt.

Professional Grade Performance and Eye Comfort

Designed for prolonged professional use, the T24D-40 prioritizes eye health. It is certified with TUV Rheinland Low Blue Light (Hardware Solution), Eyesafe Certified 2.0, and holds the prestigious TUV Rheinland Eye Comfort Certification (5-star), drastically reducing eye strain during long working hours without compromising color accuracy.

- **High Performance:** The fast response time of 4 ms (extreme) / 6 ms (typical) combined with a high contrast ratio of 1500:1 ensures sharp, detailed visuals for all business applications.
- **Sustainable Design:** Finished in professional Eclipse Black with an anti-glare screen coating, this monitor is also committed to environmental excellence, holding EPEAT Gold, ENERGY STAR, and TCO10 qualifications.
