The 26.5-inch QD-OLED panel ensures every frame is displayed with perfect clarity, delivering unparalleled contrast (1,500,000:1) and true black levels. Whether you are navigating highly detailed open worlds or reacting in fast-paced competitive shooters, the Legion Pro 27UD-10 keeps you ahead of the curve.

Key Visual and Speed Specifications:

- **QD-OLED Technology:** Offers superior color accuracy, exceptional brightness, and perfect contrast ratios, making blacks truly black.
- **4K Ultra HD Resolution:** Crisp 3840 x 2160 resolution provides stunning detail for both gaming and content creation.
- **Lightning-Fast 240Hz:** A high refresh rate ensures incredibly fluid motion and minimal input lag.
- **Extreme Response Time:** A minuscule 0.03 ms (GtG) response time virtually eliminates motion blur and ghosting.
- **Wide Viewing Angles:** Maintain consistent image quality from almost any position thanks to 178° horizontal and vertical viewing angles.
- **Ergonomic Design:** Features height adjustment and VESA mounting capabilities for customized setup, along with an integrated USB hub for easy connectivity.

Connectivity and Ergonomics

The Legion Pro 27UD-10 integrates seamlessly into any advanced setup. The built-in USB hub allows for easy connection of peripherals, minimizing cable clutter on your desktop. Its versatile stand allows for precise height adjustments, ensuring optimal comfort during extended gaming sessions. Finished in a sleek Black and Grey design, this monitor is built to perform and impress.

Lenovo is a global technology leader known for innovation, quality, and commitment to performance, particularly within their premium Legion line of gaming hardware. This monitor exemplifies their dedication to delivering cutting-edge display technology.

Order today from ++SHOP++ as we offer the best competitive pricing and support for the latest gaming technology.
