to maximize performance, thermals, acoustics, and battery life, ensuring optimal efficiency.

Features:

- **360-Degree Durability:** Use the laptop in any position with a tough and durable hinge.
- **Enhanced Ergonomics:** A drop-down hinge lifts the keyboard in laptop mode for comfortable typing.
- **Immersive Visuals:** Enjoy hyper-realistic imagery and ultra-sharp detail on the up-to 2.2K display.
- **Eye Comfort:** TÜV low blue light certification reduces eye strain during extended viewing.
- **High-Speed Connectivity:** A full-function USB-C port provides faster data transfer, power delivery, and expanded display capabilities.
- **Stable Connection:** Benefit from faster and more stable connectivity with WiFi 6.
- **Rapid Charge:** Get up to two hours of battery life with only 15 minutes of charging.
- **Improved Videocalls:** Maintain privacy with a physical shutter on the FHD camera.
- **Clear Audio:** Smart Noise Cancelling ensures clear voice quality by cutting out background noise.

The IdeaPad Flex 5 Gen 8 is designed to handle both creative tasks and work efficiently. It includes a base pen 3.0 support, making it perfect for various applications.

Lenovo is a global technology leader renowned for its innovative and reliable products, offering cutting-edge solutions for both personal and professional use.

Do anything, anywhere with the IdeaPad Flex 5 Gen 8 2-in-1 laptop's tough-tested, durable 360-degree hinge. Whether you're streaming or working, lying down or sitting up, get a better angle for more ergonomic typing with a drop-down hinge that lifts your keyboard while in laptop mode.

Dive deeper into the story

Enjoy enhanced cinematic storytelling with the hyper realistic imagery and ultrasharp detail of the IdeaPad Flex 5 Gen 8 2-in-1 device's up-to 2.2K display. And with TÜV low blue light certification, watch your movies and shows without straining your eyes.

Get things done yesterday

The IdeaPad Flex 5 Gen 8 is built to handle your creative and work life with a full-function USB-C port for faster data transfer, power delivery, and expanded display capabilities. With WiFi 6, you can expect a faster, more stable connectivity, and with Rapid Charge, boost the battery by up to two hours with only 15 minutes of charging and it included base pen 3.0 support.

Make an impact on video calls

Take full control over how you look and sound during videocalls with the IdeaPad Flex 5 Gen 8. A privacy shutter on the high quality up to FHD camera helps keep you secure from prying eyes, while ensuring call participants can only hear your voice. Plus, with Smart Noise Cancelling, get a more natural sound that cuts out background noise.

Specifications may vary depending upon region.
