The ASRock Steel Legend Radeon RX 9070 16GB OC graphics card is engineered for users who demand uncompromised visual fidelity and exceptional performance. Whether you are a competitive gamer seeking high frame rates or a creative professional working with demanding applications, this GPU delivers superior speed and stability, powered by the cutting-edge AMD Radeon RX 9070 processor.

Extreme Performance and Visual Fidelity

Equipped with a massive 16 GB of high-speed GDDR6 video memory running at 20 Gbps and utilizing a wide 256-bit memory interface, this card ensures lightning-fast data throughput. Built on the advanced PCI Express 5.0 x16 bus standard, the RX 9070 is ready for future-proof connectivity. Achieve stunning visual detail with support for resolutions up to 7680 x 4320 (8K), making it ideal for immersive displays and detailed rendering tasks.

- **GPU Clock Speeds:** Base clock of 2210 MHz and a boosted clock reaching 2700 MHz.
- **Stream Processing:** Features 3584 dedicated stream processors for intense parallel processing.
- **API Support:** Full compatibility with DirectX 12 Ultimate and OpenGL 4.6 for the latest gaming features and realistic effects.
- **Multi-Monitor Setup:** Flexibility to connect and utilize up to four separate monitors simultaneously via 3 x DisplayPort and 1 x HDMI ports.

Advanced Cooling and Robust Construction

Maintain peak performance without excessive noise thanks to the sophisticated cooling system. The 2.9-slot cooler features a highly efficient triple fan design optimized for effective heat dissipation. During low load situations, ASRock's 0dB Technology ensures the fans completely stop, offering perfectly silent operation.

Durability is paramount: the card features a reinforced metal frame to prevent bending and utilize premium power choke components for reliable and stable power delivery, ensuring longevity under extreme loads. Furthermore, customize your battle station's look using the Polychrome SYNC lighting system and the included ARGB pin-header.

ASROCK is a global leader known for producing reliable, feature-rich motherboards and high-performance graphics cards, often characterized by their excellent value and strong build quality.

Order this powerful graphics card today from ++SHOP++ and experience the next level of gaming and professional productivity.

The ASRock Steel Legend Radeon RX 9070 16GB OC is designed for those who demand graphics performance. With 16 GB of GDDR6 video memory and a 256-bit bus width, it ensures high-speed data processing with memory speed of 20 Gbps. This graphics card features a powerful AMD Radeon RX 9070 processor, delivering visuals and support for resolutions up to 7680 x 4320, making it a choice for gamers and creative professionals. Enjoy the flexibility of connecting up to four monitors, enhancing your work or gaming space.

Equipped with features, this graphics card showcases 0dB Technology for silent operation during low loads, along with a triple fan design and a 2.9-slot fan cooler for effective heat dissipation. The reinforced metal frame and premium power choke ensure durability, while the Polychrome SYNC and ARGB pin-header allow users to customize their setup visually. With support for DirectX 12 and OpenGL 4.6, the ASRock Radeon RX 9070 is ready to handle modern gaming requirements and provide an immersive experience.

Product Description: ASRock Steel Legend Radeon RX 9070 16GB OC - graphics card - Radeon RX 9070 - 16 GB | Device Type: Graphics card | Bus Type: PCI Express 5.0 x16 | Graphics Engine: AMD Radeon RX 9070 | Memory: 16 GB GDDR6 | Memory Speed: 20 Gbps | Core Clock: 2210 MHz | Boost Clock: 2700 MHz | Stream Processors: 3584 | Memory Interface: 256-bit | Max Resolution: 7680 x 4320 | Max Monitors Supported: 4 | Interfaces Details: 3 x DisplayPort HDMI | API Supported: DirectX 12 Ultimate, OpenGL 4.6 | Dimensions (WxDxH): 5.8 cm x 29.8 cm x 13.1 cm
