and smooth video playback. Its ergonomic design with tilt, swivel, pivot and height adjustments provides a comfortable viewing experience, and compatibility with a standard 100 x 100mm VESA mount allows flexible wall mounting or installation on a display arm.

Easy Video Streaming with Integrated FHD Webcam

The 2 MP FHD webcam is ready-made for videoconferencing and livestreaming. It offers 315° of rotation in both directions and 10° tilt adjustment — so you stay in frame, whatever your workstation setup. It also includes a sliding lens cover for privacy.

Compatible with Major Videoconferencing Software

With a built-in 2MP Full HD webcam and mic-array, BE249QFK is ready-made for web videoconferencing and live-streaming, as well as built-in stereo speakers providing loud and clear audio through the monitor. It is also compatible with popular videoconferencing applications such as Microsoft® Teams, Cisco Webex™ and Google Meet™.

Videoconferencing Shortcuts*

Buttons on the front panel make it easy to adjust volume, mute the mic or end the call.

*Shortcuts support will depend on the videoconferencing software. Please refer to FAQ for detail information

Fluid Viewing Experience with 100Hz SmoothMotion

ASUS BE249QFK with fast 100Hz refresh rate helps eliminate screen tearing and choppy frame rates. It refreshes content on the display 1.67-time faster than the one with a standard 60Hz refresh rate, giving you more fluid animation in video content streaming and day-to-day work, can all benefit from the smoother-than-ever experience.

Expansive Connectivity

BE249QFK features a host of connectivity options that include HDMI, DisplayPort, D-sub, so hooks up easily to a wide variety of PCs, laptops, consoles, media boxes. It also has pass-through ports for the line-in and headphone jack inputs, putting the audio connections conveniently right in front of you.

Ergonomic Design

Flexible tilt, swivel, pivot and height adjustments make it easy to find the most comfortable viewing

position. The screen can also be rotated a full 90° into a portrait orientation, which is ideal for working with long documents, writing code or browsing websites.

Protect Your Eyes with ASUS Eye Care Technology

Blue Light Filter

For viewing comfort and for protection from potentially harmful blue light, it offers intuitive and flexible with seamless adjustment that are easily accessed through the onscreen display menu.

ASUS Flicker-free Technology

It's time to say goodbye to those tired, strained eyes. Flicker-Free technology helps reduce onscreen flicker, giving you a more comfortable, movie-marathon-ready environment. It is designed to minimize eyestrain, headaches and eye fatigue when you spend long, countless hours in front of the display.

Mini-PC Mountable Stand+

Phone Holder for Space Saving

Selected ASUS monitors are compatible with ASUS designed mini-PC kit* (MKT03), it allows users to mount NUC / Mini-PCs on the rear of monitor stand, making the desktop clutter-free and space saving. Also comes with a phone holder in front of your monitor for easy access, viewing, and stability.

*The Mini-PC Kit (MKT03) is an optional accessory or sold separately, varied by region

ASUS DisplayWidget Center

Easily adjust your monitor settings through this intuitive app, without having to touch the physical buttons on the monitor.

Eco-Friendly Products for a Sustainable Future

Environmental Certification

ASUS products are stringently tested to meet the requirements of world-leading sustainability certifications. These tests include a comprehensive database of up-to-date criteria, independent verification, and a structured system for continuous improvement.

Eco-friendly Packaging

The sustainable packaging box is made of FSC® Mix-certified paper and 100% recyclable. The lightweight, eco-friendly cardboard box that it's packed in is designed to keep overall volume to a minimum, for more efficient shipping.

Energy-Efficient Design

ASUS BE249QFK has an energy-saving eco mode to help reduce power consumption and achieve zero-watt power consumption with hard switch off.

Eco-friendly Materials

Extensive research and development ensure ASUS products are made from eco-friendly materials like post-consumer recycled (PCR) plastics or components like mercury-free panels.
