The ASUS ZenScreen MB16AHV is the ultimate portable companion designed for professionals who need an expanded workspace on the go. Featuring a slim 10.5 mm profile and weighing only 900 grams, this 15.6-inch monitor effortlessly fits into any travel bag, providing instant productivity wherever your journey takes you.

Seamless Connectivity and Power

- **Single Cable Solution:** The ZenScreen MB16AHV simplifies your setup by utilizing a single USB Type-C connection for both power supply (up to 15 W) and high-definition video transmission from your host device.
- **USB Power Delivery (PD):** The USB-C port supports 15W Power Delivery, allowing you to charge your connected device while using the display, reducing cable clutter.
- **Multimedia Flexibility:** Equipped with a Mini HDMI port (quantity 1), this monitor offers versatile connection options for laptops, cameras, gaming consoles, and various multimedia devices.

Exceptional Visuals and Ergonomic Design

Experience stunning visual clarity thanks to the 15.6-inch Full HD (1920 x 1080) IPS panel. With wide 178° horizontal and vertical viewing angles, typical brightness of 250 cd/m², and a 800:1 contrast ratio, you get superb color and contrast consistency even when viewing the screen from off-center positions. The 5 ms response time and 60 Hz maximum refresh rate ensure smooth image rendering for everyday tasks and multimedia consumption.

Designed for Comfort and Health

- **Adjustable Stand:** The built-in fold-out kickstand allows you to easily prop up the monitor on any flat surface, offering tilt adjustments ranging from 15° to 35° for ideal viewing angles.
- **Auto-Rotation:** Using the ASUS DisplayWidget center software, the monitor can automatically sense its orientation and switch between landscape and portrait modes for efficient viewing of documents or presentations.
- **Antibacterial Protection:** For improved hygiene on the go, the bezels and rear of the monitor feature a proprietary antibacterial ionic silver treatment. This coating inhibits up to 99.9% of bacterial growth, keeping the monitor surface cleaner and safer.

ASUS ZenScreen MB16AHV Portable Monitor- 16 inch (15.6 inch viewable) Full HD, IPS, HDMI, USB Type-C, Blue Light Filter, Anti-glare surface, Antibacterial treatment

Sleek and portable design

ASUS ZenScreen™ MB16AHV is ideal for life on the road. This sleek portable display weighs just 0.9kg and has an 10.5 mm slim profile, so it fits easily in any travel bag and is ready for productivity, anytime and anywhere.

One cable is all you need

ZenScreen MB16AHV uses a single USB Type-C* connection for both power and video transmission from your host device. This means you have less cables to work with, so you get a neater work area. The USB-C is with 15W power delivery, so you can charge your device. MB16AHV also comes with mini HDMI that offers multi-media setup flexibility.

Work in comfort

A fold-out kickstand props the monitor up on any flat surface, enabling easy tilt adjustments to ensure comfortable viewing angles and working positions.

A ¼"-threaded hole at the rear of the monitor lets you to attach ZenScreen MB16AHV to a conventional tripod¹ or table-mount easily.

Work efficiently in portrait and landscape modes

With ASUS DisplayWidget center software², ZenScreen MB16AHV can automatically sense its

orientation and switch the display between landscape and portrait modes while connected to your laptop. Landscape mode is ideal for presentations and spreadsheets, while Portrait mode gives you a perfect view of items such as documents, books or websites.

Embedded antibacterial treatment to keep you safe

A proprietary antibacterial ionic silver treatment³ embedded in the bezels and rear of ZenScreen MB16AHV offers long-lasting protection, inhibiting up to 99.9% bacterial⁴ growth and adhesion to keep key areas of the monitor clean and hygienic. It potentially reduces the spread of harmful bacteria so you can feel safe while working on the go.

How Ionic Silver works

Positively charged silver (Ag⁺) ions bind with the cell walls of negatively charged microbes and bacteria, disrupting their internal functions and killing them off.

Extend your workspace

The FHD (1920 x 1080) IPS panel delivers stunning visuals and 178° viewing angles, ensuring you get superb color and contrast even when viewing the screen from off-center positions.

Protect your eyes with ASUS Eye Care technology

ASUS Blue Light Filter

Exclusive ASUS Ultra-Low Blue Light technology protects you from potentially harmful blue light. It offers four filter settings that are easily accessed through the onscreen display menu via the hotkey.
