advanced IPS panel, it delivers vibrant colors and wide 178° viewing angles, ensuring consistent image quality regardless of your viewing position.

Enhanced Viewing Experience and Performance

Whether you are working on spreadsheets, consuming multimedia, or enjoying light gaming, the VA24EQSB performs reliably. The smooth 75Hz refresh rate combined with a swift 5ms (GTG) response time reduces motion blur, providing clearer visuals than standard 60Hz displays. Furthermore, this monitor supports Adaptive-Sync technology, eliminating screen tearing and choppiness for fluid content display.

Ergonomics and Comfort

Designed with user well-being in mind, the ASUS VA24EQSB includes a highly adjustable ergonomic stand. Easily customize the display by adjusting height, swivel, pivot (90° rotation), and tilt to find your perfect viewing angle, dramatically improving comfort during long working sessions. The VESA mount compatibility also allows for easy wall or arm mounting.

ASUS Eye Care Protection

- **Flicker-Free Technology:** Reduces screen flicker to minimize eye strain and fatigue, especially beneficial during prolonged usage.
- **Low Blue Light Technology:** Features four preset filter levels to protect your eyes from potentially harmful blue light, ensuring comfortable reading and viewing at any time of day.

Connectivity and Compatibility

The ASUS VA24EQSB offers robust connectivity options, including HDMI, DisplayPort, and D-Sub (VGA), ensuring compatibility with a wide range of devices, from modern PCs and laptops to legacy equipment.

ASUS is a world-renowned technology leader recognized for creating innovative products, components, and solutions that deliver incredible experiences. Focused on quality and design excellence, ASUS continues to drive the digital future.

Order the ASUS VA24EQSB today from ++SHOP++ and experience superior visual quality and ergonomic comfort.
