Featuring a premium IPS LCD panel, the MB169CK delivers stunning visuals with consistent color and exceptional clarity, alongside wide 178° viewing angles. The Full HD resolution ensures crisp detail for all your documents, presentations, and media. With a fast 5ms response time and 60Hz refresh rate, it handles everyday tasks and video playback smoothly, enhancing your multitasking capabilities.

True Portability and Connectivity

This ZenScreen model is built for modern mobile workflows, simplifying connectivity and maximizing usability:

- **15.6-inch Slim Design:** Lightweight and ultra-portable, fitting easily into any laptop bag for travel convenience.
- **Dual USB Type-C Connectivity:** Provides flexible power and video signal transmission via a single cable, simplifying your setup dramatically and reducing cable clutter.
- **Versatile Kickstand:** The integrated 360° kickstand allows for easy adjustment and positioning in both portrait and landscape modes, adapting instantly to your content needs.

Eye Care and Ergonomics

ASUS prioritizes user comfort, incorporating advanced eye-care technologies into the ZenScreen MB169CK. The display features Flicker-Free technology and a Blue Light Filter, significantly reducing eye strain during extended usage periods. Furthermore, the anti-glare surface minimizes distracting reflections, making it perfect for use in bright office environments or outdoors.

ASUS is a world-renowned technology leader known for creating innovative products, components, and solutions that deliver incredible user experiences. Their commitment to quality and cutting-edge design ensures reliable performance across their entire monitor lineup.
