tracking.

Equipped with innovative SilentTouch technology, the M350s virtually eliminates clicking noise, allowing you to focus on your work without disturbing others—ideal for libraries, cafés, or open offices. The sleek, compact profile houses a powerful sensor and three responsive buttons. The middle button is customizable and can be configured via the Logi Options+ app to execute your favorite actions quickly, boosting efficiency wherever you are.

### **Advanced Features and Eco-Conscious Design:**

- **Reliable Wireless Connectivity:** Utilizes advanced Bluetooth 5.2 LE technology for a stable, low-energy connection.
- **Wide OS Compatibility:** Compatible with Windows 10 or later and Apple macOS 11 or later.
- **Quiet Operation:** Integrated SilentTouch technology ensures that clicks are significantly quieter, promoting a more focused work environment.
- **Precise Optical Tracking:** Features High Precision Optical Tracking with a movement resolution of 1000 dpi, providing smooth and accurate cursor control on most surfaces.
- **Sustainable Construction:** Committed to environmental responsibility, this mouse is made with an impressive 78% post-consumer recycled content (tonal graphite colour), reducing its ecological footprint.
- **Ultra-Portable Design:** Measures 5.87 cm wide by 10.67 cm deep by 2.662 cm high, making it thin and light for maximum portability.
- **Power Source:** Uses a standard AA type battery, providing reliable, long-lasting power.

The Pebble Mouse 2 M350s is more than just a peripheral; it's an extension of your mobile workspace, offering precision, silence, and style in a highly sustainable package.

**LOGITECH** is a globally recognized leader in computer peripherals and software, known for pioneering innovative and high-quality products that help people connect, create, and achieve. Their focus on user experience, ergonomics, and sustainable practices sets industry standards.
