- **Reliable Wireless Connection:** Enjoy a stable wireless connection up to 10 meters (33 feet) thanks to Logitech Advanced 2.4 GHz wireless technology.
- **Long Battery Life:** Benefit from up to 24 months of keyboard battery life and 12 months of mouse battery life, reducing the hassle of frequent battery changes.
- **Plug-and-Play Simplicity:** Simply plug the USB receiver into your computer and start using the keyboard and mouse immediately without the need for software installation.
- **Compact and Comfortable Design:** The keyboard features a space-saving layout with full-size keys, while the mouse is designed for comfortable all-day use.
- **Eight Hot Keys:** Instantly access frequently used applications and functions with eight hot keys for media controls, email, and more.

Logitech is a world leader in computer peripherals and accessories, renowned for their quality, innovation, and reliability. The Logitech Wireless Desktop MK270 exemplifies their commitment to providing dependable and user-friendly solutions for everyday computing needs.
