## HP 27-inch Series 5 Full HD Monitor - Seamless Clarity and Speed

The HP 27-inch Series 5 FHD monitor (Model 527sf) is engineered to enhance your daily work and entertainment experiences. Combining a large 27-inch screen (68.6 cm) with sharp Full HD (1920 x 1080) resolution, this monitor delivers expansive, detailed visuals. Its modern design, coupled with advanced display technology, makes it an excellent addition to any home office setup, ensuring productivity and comfort.

### Exceptional Visual Quality with IPS Technology

Equipped with an advanced IPS (In-Plane Switching) panel, the Series 5 monitor ensures consistent, vibrant color reproduction and incredibly wide 178° viewing angles, both horizontal and vertical. Whether you are viewing documents or streaming content, the image quality remains stable and true from almost any perspective. With 99% sRGB coverage, a typical contrast ratio of 1500:1, and 16.7 million colors (8-bit color depth), visual content is rendered accurately and lifelike.

## Smooth Performance and Eye Comfort Features

- **100 Hz Refresh Rate:** Enjoy noticeably smoother motion compared to standard 60 Hz monitors. This increased maximum refresh rate minimizes lag and blurring, enhancing fluidity during scrolling and video playback.
- **5 ms Response Time:** A fast response time ensures crisp, fluid movement, making the monitor suitable for casual gaming and rapid media consumption.
- **Flicker-Free Technology:** Integrated Flicker-free technology eliminates screen flickering, significantly reducing eye strain and allowing for more comfortable long-duration use.
- **Anti-Glare Screen:** The anti-glare screen surface with a 25% Haze rate, combined with 300 cd/m<sup>2</sup> typical brightness, minimizes reflections, maintaining clarity even in brightly lit environments.

## Connectivity and Design Specifications

The HP 527sf provides comprehensive connectivity options to support modern and legacy devices. It features two HDMI 1.4 ports and one VGA (D-Sub) input, ensuring broad compatibility. The monitor boasts a sleek, flat screen design with a detachable stand, offering tilt angle adjustments (-5 to 25°) and flexible setup configurations.

**HEWLETT-PACKARD (HP)** is a global leader in computing and printing solutions, renowned for delivering reliable, high-performance technology designed for the modern user. HP products prioritize innovation, quality, and sustainable design, holding certifications like ENERGY STAR and EPEAT.
