Optimized Performance for Competitive Play:

- **Lightning-Fast 240 Hz Refresh Rate:** Experience incredibly smooth motion clarity, essential for split-second reactions in fast-paced FPS and e-Sports titles.
- **Full HD 1080p Resolution (1920 x 1080):** The standard resolution for competitive gaming, ensuring maximum framerates and compatibility.
- **TN Panel Technology:** Known for its extremely fast response time, this panel minimizes motion blur and ghosting.
- **High Brightness and Contrast:** Features a brightness of 320 cd/m² and a native contrast ratio of 1000:1 for clear visual detail.

Enhanced Player Comfort and Flexibility:

The XL2540K design emphasizes ergonomics, allowing every player to customize their setup precisely. This new chassis offers greater adjustment range and stability.

- **Extensive Display Position Adjustments:** Easily adjust height, pivot (rotation), swivel, and tilt to find the perfect viewing angle, enhancing player comfort during long gaming sessions.
- **Compact Base Design:** The streamlined base takes up less desktop space, giving players more room for mouse movements.

Connectivity and Power:

- **Input Connectors:** Multiple connectivity options including 3x HDMI and 1x DisplayPort.
- **Power Efficiency:** Energy Class F, with a power consumption (On mode) of 20.4 W.
- **Physical Dimensions (with stand, highest position):** 57.1 cm x 20 cm x 52.1 cm.
- **Weight:** 6.1 kg.

BenQ ZOWIE is a globally recognized brand specializing in professional e-Sports gear, committed to developing equipment that enhances the performance and enjoyment of competitive gamers worldwide.
