Eliminate motion blur and gain the competitive edge thanks to the monitor's high-speed specifications. The Arozzi Nova boasts an impressive 180 Hz refresh rate, ensuring silky smooth gameplay even during the most frantic action sequences. Paired with an ultra-low 1 ms response time, input lag is virtually non-existent, allowing for instantaneous reactions crucial in high-stakes environments.

## Detailed Visuals and Bright Display

Immerse yourself in worlds rendered in exceptional detail. The 2560 x 1440 resolution (QHD) provides significantly sharper images than standard Full HD, while the 16:9 aspect ratio is perfect for modern gaming and media consumption. With a brightness rating of 350 cd/m<sup>2</sup>, images remain vivid and clear, pulling you deeper into the game.

## Key Features for the Modern Setup

- 27-inch IPS panel offering superior color reproduction and wide viewing angles.
- Quad HD resolution (2560 x 1440 pixels) for detailed, sharp imagery.
- Blazing fast 180 Hz refresh rate eliminating screen tearing and stutter.
- Rapid 1 ms response time ensuring responsive, lag-free action.
- High brightness of 350 cd/m<sup>2</sup> for vibrant visuals.
- Stylish pink finish, perfect for custom, aesthetically focused setups.
