Aprašymas

Want to protect your phone? I mean REALLY protect your phone? Then this 3-in-1 protection pack from PanzerGlass® is for you! Featuring a MagSafe compatible HardCase, an Ultra-Wide Fit Screen Protector, and HoopsTMCamera Lens Protector, this pack shields your phone from scratch-creating bumps against sharp-edged corners, phone-cracking falls onto stone-hard pavements and just about anything else life might throw at you.

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. Gamintojas ir pardavėjas neatsako už galimus duomenų neatitikimus ar tipografines klaidas. Prieš įsigyjant rekomenduojame pasitikrinti aktualią informaciją.

The screen protector even has a smudge-free coating that reduces traces of fingerprints and grease.

The back of this HardCase is 100% recycled plastic, while screen protector is made of 60% recycled material. And what about HoopsTMCamera Lens Protector? It keeps your camera lenses free from scratches and cracks that would leave permanent scars on all future photos.

The 3-in-1 protection pack prolongs the lifetime of your phone so that one day you can pass it on to someone else who will love it just as much as you do. This is one way of working toward a more sustainable future. Another is to use less packaging: In 2024, we reduced the amount of paper in our PanzerGlass core product packaging design by an average of 66%* and of course this product comes in a recyclable FSC™-certified box.

Installation is also easy. Just mount the screen protector using the enclosed EasyAligner, apply the camera lens protector, and click on the HardCase. To make it even easier, we’ve included step-by-step instructions as well as a QR code for quick access to our online how-to video. And once everything is installed, you’ll never again fear the sight of your phone tumbling to the ground. This may not happen, but if it does, you’ll regret not having clicked “add to cart”.

*Reduction from 2022-2024 measured by comparing selected products from the PanzerGlass® core range.
