Dell E2225HM Professional VA Monitor with Eye Comfort

The Dell E2225HM is designed to provide essential performance and superior comfort for everyday office tasks and home use. Featuring a crisp 21.5-inch Full HD (1920 x 1080) VA panel, this monitor delivers excellent image quality with a high contrast ratio of 3000:1, ensuring deep blacks and vibrant colors from wide 178° viewing angles.

Experience smoother motion thanks to the 100Hz refresh rate, which provides a notable improvement over standard 60Hz displays, reducing noticeable stuttering during scrolling or light multimedia consumption. The rapid 8 ms response time ensures that visuals remain clear and

ghosting is minimized.

Prioritizing user well-being, the E2225HM holds the prestigious TÜV Rheinland 3-star Eye Comfort certification. This means the display is optimized to minimize harmful blue light emissions and flicker, significantly reducing eye strain during long working hours. The monitor boasts a streamlined, fixed stand design and VESA compatibility, making it an excellent space-saving solution for any modern desk environment.

Key Specifications and Comfort Features:

- **Optimal Viewing:** 21.5-inch (54.6 cm) screen with Full HD (1920 x 1080) resolution.
- **Superior Image Depth:** VA panel technology providing a high 3000:1 static contrast ratio and 250 cd/m² brightness.
- **Smooth Performance:** 100Hz refresh rate for fluid visual experience and 8 ms response time.
- **Eye Protection:** TÜV Rheinland 3-star certified for superior eye comfort, minimizing blue light and flicker.
- **Wide Angles:** Consistent colors and brightness across 178° horizontal and vertical viewing angles.
- **Mounting Flexibility:** Standard VESA mounting support allows for easy integration with monitor arms or wall mounts.

DELL is a world-renowned technology corporation dedicated to providing high-quality, reliable, and user-centric computing solutions for businesses and individuals globally.
