more vibrant colors across your workflow.

With a fast 120 Hz maximum refresh rate and 5 ms response time, the U2725QE ensures incredibly smooth motion, making it ideal for both demanding creative work and fluid multimedia consumption. The display also boasts a high brightness of 450 cd/m².

Enhanced Viewing Comfort and Connectivity

The U2725QE integrates improved ComfortView Plus technology and an ambient light sensor. This combination significantly reduces harmful blue light emissions while automatically adjusting screen brightness to suit your environment. This dedication to eye comfort allows for longer, more focused, and productive work sessions.

Connectivity is streamlined and powerful, transforming the monitor into a central productivity hub. It includes an integrated USB hub (version 3.2 Gen 2) and a versatile USB-C port offering 15W of power delivery, alongside dedicated HDMI, dual DisplayPorts, and an Ethernet LAN (RJ-45) port for comprehensive docking capabilities.

Key Technical Specifications
